INTERESTS

PROFESSIONAL EXPERIENCE

Teacher Assistant - Design Course | Noé
Paris
2023 - 2024

Occasionally assist groups in learning Figma during Noé's design course, guiding them through key tools and techniques to support their project work.

Product Manager | Specify
Paris
2021 - 2024

Managed a design API for design systems. Oversaw development cycles, created product roadmaps, validated and designed features, onboarded and supported users, and conducted user research to identify needs.

Product Designer | Station
Paris
2018 - 2021

Designed a desktop application and a productivity extension. Managed product development, defined the product roadmap, worked on UX & UI for interfaces, built prototypes, conducted testing, provided user support, conducted user interviews, and implemented the design system.

UX & UI Designer | Foodvisor
Paris
2016 - 2018

Created UX and UI designs for a mobile application using deep learning for food recognition, aimed at helping users adopt healthier eating habits.

UX & UI Designer | Drust
Paris
2015

Worked on user experience and interface design for a mobile app associated with a connected car device.
